Public Notice of Permit Approval
QEP Red Wash Class IIIb Landfill

The Executive Secretary of the Utah Solid and Hazardous Waste Control Board has approved a renewal of the Questar Exploration and Production (QEP) Permit #9906R1 to operate a Class IIIb landfill for the disposal of nonhazardous industrial waste generated by oil and gas production operations. The permit renewal for this landfill is effective November 15, 2006. QEP petitioned the Executive Secretary of the Utah Solid and Hazardous Waste Control Board to renew Permit #9906 for the continued operation of the existing Class IIIb landfill. The landfill is located approximately 20 miles southeast of Vernal, Utah on Deadman Bench. The public comment period notice for the DRAFT PERMIT (#9906R1) was published in the Deseret Morning News, the Salt Lake Tribune, and the Vernal Express on September 20, 2006. No comments were received during the public comment period.

Unofficial copies of the Permit, public notices and the permit application are available for public review on the Division web page at:

<http://www.hazardouswaste.utah.gov/SWBranch/SWSection/PermittedSolidWasteLandfills.htm>

Questions should be directed to Roy Van Os at (801) 538-6170.
